## X-BOW BANNER TEMPLATE

1600 x 600 mm Portrait, Front (Finished size)

Document size including bleed 1620 x 620mm

**DON'T FORGET TO DELETE THE TEMPLATE LAYER BEFORE SAVING YOUR FINAL ARTWORK.**

### BLEED

Allow 10 mm bleed all round your document. Any content in this area will be trimmed off in the final trimming process, but it allows for a clean trim finish.

### SAFE AREA

Keep all important text, images or content out of the SAFE AREA.

It is advisable to allow a 50 mm SAFE AREA on all sides from the trim edge of your document.
