A4 NOTEPAD TEMPLATE
210 x 297 mm Portrait, Front

DON'T FORGET TO DELETE THE TEMPLATE LAYER BEFORE SAVING YOUR FINAL ARTWORK.

BLEED
Allow 3 mm bleed all round your document. Any content in this area will be trimmed off in the final trimming process, but allows for a clean trim finish.

SAFE AREA
Keep all important text, images or content out of the SAFE AREA.
It is advisable to allow a 10 mm SAFE AREA on all sides from the trim edge of your document.
