

A2 POSTER TEMPLATE
594 x 420 mm Portrait, Front
DON'T FORGET TO DELETE THE TEMPLATE LAYER BEFORE
SAVING YOUR FINAL ARTWORK.

BLEED
Allow 4 mm bleed all round your document. Any content in this area
will be trimmed off in the final trimming process, but allows for a
clean trim finish.

SAFE AREA
Keep all important text, images or content out of the SAFE AREA.
It is advisable to allow a 10 mm SAFE AREA on all sides from the trim
edge of your document.
