i•go•print

300 x 300mm CANVAS PRINT TEMPLATE
Finished image size: 300 x 300mm
Overall canvas print size including overlap: 412 x 412mm

**DON'T FORGET TO DELETE THE TEMPLATE LAYER
BEFORE SAVING YOUR FINAL ARTWORK.**

BLEED
Include 22 mm bleed all round the finished image area on yor
document to allow for the wrapping of the canvas around the frame
sides. The artwork can be extended across to the back of the frame,
but this part is not visible once the canvas is made up.

SAFE AREA
Keep all important text, images or content out of the SAFE AREA.
It is advisable to allow a 20 mm SAFE AREA on all sides from the edge
of your image area on your document.
