BUSINESS CARD TEMPLATE

90 x 50 mm Landscape/Portrait, Front/Back

DON'T FORGET TO DELETE THE TEMPLATE LAYER BEFORE SAVING YOUR FINAL ARTWORK.

BLEED

Allow 3mm bleed all round your document. Any content in this area will be trimmed off in the final trimming process, but allows for a clean trim finish.

SAFE AREA

Keep all important text, images or content out of the SAFE AREA. It is advisable to allow a 10 mm SAFE AREA on all sides from the trim edge of your document.
