### A3 GATE FOLD LEAFLET TEMPLATE

420 x 297 mm Landscape, FRONT/BACK

**DON'T FORGET TO DELETE THE TEMPLATE LAYER BEFORE SAVING YOUR FINAL ARTWORK.**

#### BLEED

Allow 3 mm bleed all round your document. Any content in this area will be trimmed off in the final trimming process, but allows for a clean trim finish.

#### SAFE AREA

Keep all important text, images or content out of the SAFE AREA. It is advisable to allow a 10 mm SAFE AREA on all sides from the trim edge of your document.
